

VT-681

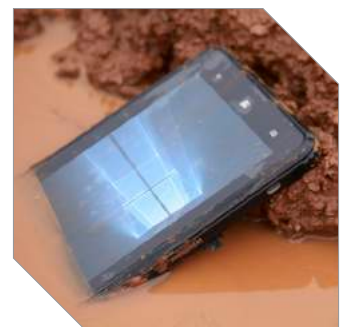

FULLY RUGGED TABLET

KEY BENEFITS

- ▶ Cost-effective, fully-rugged design – protects against knocks drops and rough handling
- ▶ Designed for use in and outside of vehicles
- ▶ Hassle-free docking and charging
- ▶ Enhance workplace mobility and comfort with an integrated and ergonomic adjustable hand strap
- ▶ Integrated 3G connectivity and GNSS for mobile workforce use
- ▶ Optimised control with a built-in active style
- ▶ Fully managed in-vehicle installation

The 8-inch fully rugged VT-681 tablet is specifically designed to withstand rough treatment, dust and water ingress, and shocks. With Windows 10 support, built-in GNSS (GLONASS/GPS) and an optional barcode scanner, your productivity is optimised for mobile workforce applications in challenging environments.
