

X240 Gaming Tablet Computer

10.1" Tablet for gaming applications, with integrated stand and handle

Key Benefits

- ▶ Easy to keep all tablets inside a venue continuously charged with increased battery capacity
- ▶ More powerful, next generation tablet for an enhanced gaming experience
- ▶ Ergonomic integrated handle and stand for ease of use
- ▶ Specialised for gaming and effortless to carry, position and use
- ▶ Through-life managed service

The X240 improves the graphics and runtime performance of our series of gaming tablets, to be better than ever to run the latest land-based electronic gaming applications, such as eBingo.

Integrated handles and stands make them effortless to carry and use in a variety of positions, while long battery life and easy charging provide uninterrupted gameplay.
